

WINE BY THE GLASS

Mysterious, complex, sexy ... fruit forward, cherry, citrus, chocolate ... dirty, clean, heavy, light ... European, North American ... just a sample of the many descriptors that apply to our wine selection. Providing wines that pair naturally with our food to the wines that steal the show all by themselves... from around the world to our own backyard ... our wine directors' continuous and endless journey.

WHITE WINES

Natura Sauvignon Blanc, *Casablanca Valley, Chile*

9
